

方案三：主语从句、宾语从句、同位语从句
主语从句在复合句中充当主语，为防句子头重脚轻，通常把形式主语 it 放在句首，真正主语放在句末；宾语从句在复合句中充当宾语，位于及物动词、介词或复合谓语之后。同位语从句在复合句中充当同位语，用来对其前面的抽象名词进行解释说明。看不懂就不用管了，直接背。
主语从句
It is well/ commonly/ universally known that... 众所周知的是 It has been widely accepted/ proved/ suggested/ reported that... 已被广泛接受/证明/建议/报道的是 It has become increasingly evident that... 日益显著的是
宾语从句
There is no doubt that.../Nobody can deny that... 毫无疑问的是 An increasing number of people are beginning to realize/ aware that... 越来越多的人开始意识到 We must acknowledge the fact that... 我们必须承认的是
同位语从句
Definitely no one can deny such an obvious fact that... 当然没人能否认这样一个明显的事实 A rising number of individuals are coming to the realization that... 越来越多的人开始意识到 We are faced with the undeniable fact that... 我们面临着一个不可否认的事实
以上从句作用是拉长句子，没有必要学习三者的语法，记住以上待选句即可。 本方案的重点和难点并非这半句话，而是省略号后面怎么去写——善用短语。
