

政府作为：It is imperative for the authorities to make strict laws to **protect the environment**. 当局必须制定严格的法律来保护环境。

formulate policies 制定政策

make strict laws → allocate more funds 拨付更多资金

launch public initiatives 发起公共倡议

公民意识：We should also enhance children and adults' awareness of **environment protecting**. 我们还应该提高孩子和大人的环境保护意识。

个人行为：We ought to spare no pains to **protect the environment** and make the “global village” better. 我们应该不遗余力地保护环境，让“地球村”变得更好。

媒体呼吁：Mass media, such as radios, televisions, newspapers and the Internet, should appeal to people to **live a low carbon life**.

大众媒体，例如收音机、电视、报纸和互联网，应该呼吁人们过低碳生活。

子女教育：Parents and teachers can set a good example for children on **resource conservation** through their own behavior.

家长和老师可以通过规范自身为孩子们树立节约能源的榜样。

例 2024 年英一、2025 英二：

For one thing, it is imperative for the authorities to allocate more funds. For another, mass media, such as radios, televisions, newspapers and the Internet, should appeal to people to live a healthy life.

一方面，当局必须不断增加投入。另一方面，媒体，如收音机、电视、报纸和互联网，应该呼吁人们过健康的生活。

例 2025 英一：

For one thing, it is imperative for the authorities to formulate policies to promote **the development of the home appliance industry**. For another, enterprises ought
